Dear Customer

Re: RICS Condition Report

Thank you for your preliminary instructions for Allied Surveyors and Valuers to provide a Condition Report on the above property and we are pleased to provide you with details of this service.

We confirm that our fee inclusive of VAT will be:

£ (as per fee quoted online)

based on the purchase price / estimated value (as entered online)

Please note that the fee does not include your lender's mortgage valuation fee.

Our survey will be dated as the date of the inspection which will be arranged as soon as possible after receipt of the survey fee (please see payment options at the end of this letter).

The Report describes the general condition of the property and is intended for properties that are conventional in type and construction and are apparently in reasonable condition, so does not cover non-significant defects. To ensure that this is the right type of survey for your requirements, we enclose the [RICS helping you choose the right survey](#) which gives a comparison between the different levels of survey available.

We can confirm that the Surveyor undertaking this work is experienced in the area where the property is located and has the appropriate expertise for this type of property. We have undertaken a conflict check and can find no reason why we would be unable to undertake the report on your behalf. There is a requirement on RICS members and regulated firms to be transparent and open with their clients or potential clients by acknowledging whether they have offered or received a referral fee or other inducement prior and relating to taking the instruction. Accordingly, we can confirm that there may be certain limited circumstances where a payment may have or be made, either individually or part of a third-party commercial relationship.

Our Surveyor will be pleased to discuss any queries with you, before he/she inspects and after you have received the report.

This service is delivered in accordance with the Home Survey Standard (1st edition) RICS professional statement and is equivalent to "level one".

If you are buying the property as an investment or intend to rent it out, please tell us now as this could affect our advice.

Please advise us as soon as possible, and certainly before the inspection date, whether you require any additional information within the scope of our reporting format, for example, if you have any specific concerns. If you need more detailed advice (eg, if the property is leasehold, a valuation, a list of non-significant defects, security report, energy report) this is a different, extra service which must be provided outside these Terms and the Condition Report format and for which an additional charge will be made.

If, on arrival at the property, our Surveyor considers it unsuitable for the Condition Report format, or if it is found to be substantially different from that which has been described to us, we will contact

Allied Surveyors and Valuers Ltd  
Regulated by RICS

Registered office: Building 2, Riverside Court, Bowling Hill, Chipping Sodbury, Bristol BS37 6JX  
Registered in England no: 6936426 A list of directors is available on request

[www.alliedsurveyors.com](http://www.alliedsurveyors.com)

you before proceeding so that we can agree alternative terms. Our inspection may also be limited by any health and safety restrictions or other dangers we encounter. The service does not include an asbestos inspection and it falls outside *The Control of Asbestos Regulations 2012*.

If you have provided us with additional information or advised us to contact a third party for further information, it is implicit that we can safely rely on that information.

We enclose the [Description of the RICS home survey level 1](#) which includes the standard Terms of Engagement. Please read these carefully as they, along with this letter, form the basis of our contract with you and it is vital that you understand the scope of work to be undertaken. We draw your attention in particular to RICS Clause 6 on Liability.

The Company's entire financial liability (including that of its employees etc, as set out in the terms and conditions) is hereby limited to the Valuation for the Property contained in the Report, if requested, or £500,000 (Five hundred thousand Pounds), whichever is the lower and in as far as such limitation is lawful.

If you suffer loss as a result of our breach of contract or negligence, our liability shall be limited to a just and equitable proportion of your loss having regard to the extent of responsibility of any other party. Our liability shall not increase by reason of a shortfall in recovery from any other party, whether that shortfall arises from an agreement between you and them, your difficulty in enforcement, or any other cause.

### **Properties which have been subject to substantial alteration/significant extension in the last ten years.**

The surveyor assumes that:

- no particularly troublesome or unusual restrictions apply to the property, nor is it affected by problems which would be revealed by the usual or appropriate legal enquiries.
- all necessary Planning and Building Regulations permissions (including permission to make alterations) have been obtained and that all works which have been undertaken fully comply with those permissions. Furthermore, in the case of a newly built, extended or converted property the surveyor will assume that a valid and satisfactory 10 year warranty or professional consultants certificate exists.

The surveyor will report any further or additional assumptions that have been made, but it is of critical importance that your solicitor asks for the Professional Consultant's Certificate (PCC) to be supplied, as we will almost certainly be unable to see some of the important components which could cause damage if missing or incorrectly installed. You should not proceed with your purchase if this is unavailable.

**Boundaries, grounds and outbuildings relating to normal domestic gardens:** please refer to the Description of the RICS Condition Report paragraph 'Outside the Property'.

The inspection will include the immediate gardens that belong to the property, but the inspection specifically excludes any additional land (such as pasture or amenity land). The client is recommended to seek separate advice in respect of this additional land to ascertain (among other things) the extent and condition of boundaries, the presence of any invasive species, quality of the land, possible land contamination, flood risk or any other liabilities in respect of river bank maintenance, culverts and ditches and any other specific concerns, to the client's satisfaction.

**Data Protection:** the Firm takes its responsibility under the General Data Protection Regulation very seriously. Please refer to our [Privacy Policy](#) on our website (or available upon request) for information on how we collect, use, maintain and disclose personal data.

Allied Surveyors and Valuers Ltd is regulated by the RICS and we advise that the RICS may, as part of its Regulatory function, check the report for compliance with the current RICS Red Book. We also operate a complaints-handling procedure, details of which are available on request.

**Please note the 'Right to Cancel' Regulations mean that we should delay undertaking the survey by at least 14 days unless you elect otherwise. You may avoid this delay if you give us your written confirmation that you waive your 'cooling off' period rights. On receipt of this, and full payment as detailed above, the inspection will be arranged as quickly as possible.**

Please contact us if you have any queries but if not, we await return of your signed instructions to proceed (below) and will arrange the inspection upon their receipt at the earliest date available. We will email the completed report as soon as possible after the inspection and can also post you a hard copy if required.

**By signing these instructions, you acknowledge that you have had the opportunity to discuss the level of service with our office and are satisfied that this RICS product meets your requirements.**

Yours sincerely  
For and on behalf of Allied Surveyors and Valuers Ltd

---

#### **NOT APPLICABLE TO BUSINESS CLIENTS**

**Consumer Right to Cancel Regulations ('Cooling-off' period)** (see also RICS Standard Terms of Engagement, Clause 5)

- a) Consumers have the right to cancel a contract for services within 14 days of receiving the agreement, without giving any reason. Cancellation must be received in writing, or by email.
- b) This means that we shall not undertake the inspection of the property before the expiration of 14 days from the day after the date of this letter. **If you would like to avoid this delay then you must confirm this by ticking the box on the order page, before confirming acceptance of the Terms and Conditions.** This confirms that if you subsequently wish to terminate the contract, you will not be eligible for a refund of the fees and charges incurred by the Surveyor, up to and including the date the cancellation is received. This does not affect any of your normal consumer rights.
